1. Information camps and mobile announcement:		Shelters, Tents		
VISWA has established 3 camps before flood touches to the boundaries of Matiari District for informing people about the flood and also arranged mobile announcement in this regard for the Kacha area residents to evacuate the area as the incoming flood is very dangerous.		Madical Camps		
		Health Treatments		
2. Four Medical camps at band:				
Four medical camps were arranged for the people who have migrated from Kacha area and instead of living in camps established for this purpose by the government they settled at band.				
3. Mobile medical camp at Bhit Shah:				
One mobile medical camp for the people of Jacobabad who has migrated from that district and has settled in the Bhit shah was arranged with the cooperation of local Doctors.
