

Name: Rab Nawaz Sikander
Age: 50 years
Profession: Islamic Scholar
Living at: Basti Bhatiaun Wala M G
Participate Campaign: March 2006

CONTEXT- Basti Bhatiaun wala MG Muzafer Garh Pakistan

CHARACTER – Old traditional culture and lack of awareness regarding women rights

CONFLICT – When experience in routine life gender discrimination and women violence became upset.

CONTEMPLATION- After joining we can and regular participation in change makers meeting he enrolled himself as change maker and started struggle accordingly.

CHANGE – R.N felt change in his own personality and utilize this change by changing his behaviour and attitude.

CONCLUSION- At present he is not only providing Islamic information to community but also formed a youth group to solve any women violence issue in his absence.

Rab Nawaz lived in rural community. He is an Islamic scholar at village mosque and well-known Mullah in his community. He shared his feelings that before being a part of we can he never noticed his role in his community and spending routine life.

But after enrolling himself as change maker he started to notice his surroundings. As to point out wrong decisions and misunderstandings. He also started to preach Islamic norms and values in favor of women's. Soon after people in his community started to listen him and to follow ways guided by him .R.N formed an active group of youth in his village to observe and tackle and tackle and situation or issues regarding women voice.

Presently he is very confident in his personality and performing lore model role as change maker.
